

Tony Boschetto, CPA, MST, CVGA

774-270-2988

Profile

Tony Boschetto is a senior-level business leader with over twenty years of leadership experience growing businesses in a breadth of industries including Information Services, Technology, Hospitality, Food Service, Manufacturing, Warehousing and Distribution.

With experience in senior management positions in major corporations and as an independent consultant, he has executed M&A work for public and private companies including multinational acquisition searches.

In recent consulting assignments, Tony has been engaged for transaction services and sell-side representation for Companies in the Distribution, Health Care and IT Services Industry.

Most recently, Tony has served as CFO and VP of Finance and Business Development at Wolters Kluwer Financial Services and handled Financial Planning and Analysis, M&A, and Strategic Planning. In this capacity, Tony lead many successful buy-side acquisitions from strategic planning through integration.

As the CFO, VP/General Manager of Uniform Information Services Inc., Tony lead the Company through a private equity recapitalization, driving an acquisition strategy and responsible for its successful transformation and eventual sale to Wolters Kluwer.

Prior in his career, as a senior leader of the management team for a publicly traded Company in the Hospitality Industry, Tony managed the company through a successful restructure leading to a private equity recapitalization taking the Company private.
